### About Us

S.P. Fields (Contractors) Ltd. is a well-established civil engineering and building contractor, delivering high-quality construction projects across the South Yorkshire region. We are currently seeking a skilled **Groundworker** to join our team, working on client sites across Sheffield and the surrounding areas.

### Key Responsibilities

As a **Groundworker**, you will be responsible for carrying out a variety of essential tasks on construction sites, including but not limited to:

#### Groundworks & Excavation:

- Digging and preparing trenches for foundations, drainage, and utilities.
- Levelling and compacting ground surfaces using machinery and hand tools.
- Installing drainage systems, pipework, and ducting.

#### Concrete, asphalt & Paving Works:

- Laying and finishing concrete for foundations, pathways, and slabs.
- Installing kerbs, edging, and block paving.
- Laying and finishing asphalt.

#### Site Preparation & Maintenance:

- Setting out work areas in accordance with site plans.
- Assisting with site clearance, preparation, and general maintenance.
- Operating plant machinery and equipment (if certified).

#### Health, Safety & Site Housekeeping:

- Adhering to all site **health & safety** regulations, including wearing appropriate PPE.
- Ensuring a clean, safe, and organised working environment.
- Identifying and reporting potential hazards or risks on-site.

## Skills & Requirements

### Essential:

- Previous experience in groundwork, construction, or a related field.
- A valid **CSCS card** (or willingness to obtain one).
- Strong understanding of health & safety protocols on-site.

### Desirable:

- **Full, clean UK driving licence** (advantageous but not essential).
- Relevant certifications for operating **ground working machinery** (e.g., dumper, roller, excavator).
- Ability to read and interpret technical drawings and site plans.
- Holding a NRSWA Street works card would be an advantage.

### What We Offer

- Competitive hourly rate of **£17.50 per hour**.
- Full-time **permanent** role with consistent work.
- Opportunities for training and development.
- A supportive and professional team environment.

### How to Apply

To apply for this role, please send your **CV and a covering letter** to **careers@spfields.co.uk** (if you don't have a CV currently then please email us details of your experience).
