**Location:** Sheffield & South Yorkshire Region

**Payrate:** Competitive rates, dependent on experience and ability

**Hours:** 39 hours per week

**Contract:** Permanent

### About Us

S.P. Fields (Contractors) Ltd. is a well-established civil engineering and building contractor, delivering high-quality construction and maintenance projects across South Yorkshire. We are currently seeking an experienced **Maintenance Joiner** to join our team, working on client sites across Sheffield and the surrounding areas.

### Key Responsibilities

As a **Maintenance Joiner**, you will be responsible for carrying out a variety of repair, refurbishment, and maintenance tasks on buildings and structures. Your duties will include:

### Joinery & Maintenance Works:

- ✓ Carrying out repairs, refurbishments, and general joinery maintenance.
- ✓ Installing, repairing, and maintaining doors, windows, locks, and frameworks.
- ✓ Fitting and adjusting kitchens, flooring, skirting boards, partitions, and ceilings.
- ✓ Carrying out first and second fix joinery work on various building projects.
- ✓ Experience of fitting suspended ceilings.

### Site & Property Maintenance:

- ✓ Assessing damage or wear and determining necessary repairs.
- ✓ Working across commercial, industrial, and domestic properties as required.
- ✓ Ensuring all maintenance work is carried out efficiently and to a high standard.

## Health, Safety & Site Housekeeping:

- ✓ Adhering to all health & safety regulations, including correct use of PPE.
- ✓ Maintaining a clean, safe, and organised work environment.
- ✓ Identifying and reporting any potential hazards or risks on-site.

## Skills & Requirements

### Essential:

- Proven experience as a Maintenance Joiner, Carpenter, or in a similar role.
- Strong joinery and carpentry skills, with the ability to complete repairs and installations to a high standard.
- Ability to work independently and manage multiple tasks efficiently.
- Valid CSCS card (or willingness to obtain one).
- Strong knowledge of health & safety regulations in construction and maintenance work.
- Must have a selection of personal power and hand tools.
- Full, clean UK driving licence is essential.

### Desirable:

- Certifications or permissions to operate joinery tools and equipment.
- Experience working in commercial, industrial, or residential maintenance.

## What We Offer

- ✓ Competitive pay rates, based on experience and ability.
- ✓ Full-time, permanent position with consistent work.
- ✓ Opportunities for training and career development.
- ✓ A supportive and professional team environment.
