

Shuttering Joiner – Full-Time, Permanent

Location: Sheffield & South Yorkshire Region

Pay Rate: Competitive rates, dependent on experience and ability

Hours: 39 hours per week

Contract: Permanent

About Us

S.P. Fields (Contractors) Ltd. is a well-established civil engineering and building contractor, delivering high-quality construction projects across South Yorkshire. We are currently seeking an experienced **Shuttering Joiner** to join our team, working on client sites across Sheffield and the surrounding areas.

Key Responsibilities

As a **Shuttering Joiner**, you will be responsible for building formwork and shuttering for reinforced concrete structures. Your duties will include:

Formwork & Shuttering Construction:

- ✓ Reading and interpreting technical drawings, site plans, and specifications.
- ✓ Constructing shuttering, formwork, and moulds for concrete structures.
- ✓ Measuring, cutting, shaping, and assembling timber, plywood, or metal formwork.
- ✓ Stripping and dismantling formwork once the concrete has cured.

Site Preparation & Installation:

- ✓ Assisting in setting out work areas as per project requirements.
- ✓ Working alongside steel fixers and concrete workers ensuring correct placement.
- ✓ Ensuring all formwork is level, secure, and constructed to required specifications.

Health, Safety & Site Housekeeping:

- ✓ Adhering to all health & safety regulations, including correct use of PPE.
- ✓ Maintaining a clean, safe, and organised work environment.
- ✓ Identifying and reporting any potential hazards or risks on-site.

Skills & Requirements

Essential:

- Proven experience in shuttering, formwork joinery, or construction.
- Ability to read and interpret technical drawings and site plans.
- Valid CSCS card (or willingness to obtain one).
- Strong knowledge of health & safety regulations in construction.
- Must have a selection of personal hand tools for use in this role, all power tools are supplied by the company.

Desirable:

- Full, clean UK driving licence (advantageous but not essential).
- Certifications or permissions to operate shuttering and carpentry tools.
- Experience working with reinforced concrete structures in civil engineering or building projects.

What We Offer

- ✓ Competitive pay rates, based on experience and ability.
- ✓ Full-time, permanent position with consistent work.
- ✓ Opportunities for training and career development.
- ✓ A supportive and professional team environment.

How to Apply

To apply, please send your **CV and a covering letter** to **careers@spfields.co.uk**.

No CV? If you don't have a CV, simply email us details of your experience, and we'll be in touch.
